Dear Lum — Beg pardon for the delay. Waited for a bill but learned the other day they were not being sent.

Love to you

Dear Anna:

Thank you for your handsome order! The books shall be sent you as soon as received from the printers - which will be in about three weeks; and will be in plenty of time for Christmas.

I am sure you will love these dear old Songs. I hope your wonderful Father has reached Rome safely, and that he will have a fine and happy Winter there.

With love and all best wishes,

Always your Friend,
